

CATAWBA LOCAL INSTRUCTION NUMBER 17-04

To: Local Catawba Workforce Area

Subject: Facility and Program Accessibility Under WIOA

Issuance Date: May 26, 2017

Effective Date: Immediately

Purpose: To transmit updated guidance on the requirement to ensure program and facility accessibility to individuals with disabilities and to transmit evaluation instruments.

Background: 29 CFR 38.13 stipulates that no qualified individual with a disability may be excluded from participation in, or be denied the benefits of a service, program, or activity or be subjected to discrimination because facilities are inaccessible or unusable by individuals with disabilities. In addition, all WIOA Title-I financially assisted programs and activities must be programmed to be accessible.

Regarding physical accessibility, there is no "grandfather clause" in the ADA that exempts older facilities. If a facility was in compliance with the 1991 Standards or Uniform Federal Accessibility Standards (UFAS) as of March 15, 2012, a public entity is not required to make changes to meet the 2010 Standards, until the public entity decides to alter a facility for reasons other than the ADA. Elements and spaces being altered must comply with the 2010 Standards. For definitions of alteration, refer to (<https://www.ada.gov/reggs2010/titleII/2010/titleIIprimer.html>).

29 CFR 38.28(b) requires that LWDBs designate a Local Equal Opportunity Coordinator/Officer responsible for coordinating the EO responsibilities within the local workforce area with the State Equal Opportunity Officer.

Policy: Facilities must be accessible or usable by individuals with disabilities. In each local workforce area, government buildings in which staff is located, services provided, and/or programs conducted are subject to Title II of the ADA. Therefore, new facilities or alterations of facilities that began construction after January 26, 1992, must comply with the applicable federal accessible design standards, such as the ADA Standards for Accessible Design (1991 or 2010) or the UFAS. In addition, recipients/subrecipients that receive federal financial assistance must meet their accessibility obligations under Section 504 of the Rehabilitation Act and the implementing regulations at

Serving Chester, Lancaster, Union, & York Counties

29 CFR part 32. Recipients/subrecipients utilizing commercial facilities to locate staff, provide services, and/or conduct programs may be subject to additional accessibility requirements under other statutory authority, including Title III of the ADA that is not enforced by U.S. Department of Labor Civil Rights Center (CRC). As indicated in 29 CFR 38.3(d)(10), compliance with this part does not affect a recipient's/subrecipient's obligation to comply with the applicable ADA Standards for Accessible Design.

All WIOA Title I-financially assisted programs and activities must be programmatically accessible, which includes: providing reasonable accommodations for individuals with disabilities; making reasonable modifications to policies, practices, and procedures; administering programs in the most integrated setting appropriate; communicating with persons with disabilities as effectively as with others; and providing appropriate auxiliary aids or services, including assistive technology devices and services, where necessary to afford individuals with disabilities an equal opportunity to participate in, and enjoy the benefits of, the program or activity.

Action: The Local EO Coordinator/Officer must ensure completion of the two evaluation instruments for each of the following: local fiscal/administrative entity, comprehensive SC Works centers, satellite SC Works centers, and access points open to WIOA applicants, participants and the public at-large, and submit the evaluations to the DEW Office of Equal Opportunity annually by March 31st. Copies of the completed evaluations must be kept on file by the Local EO Coordinators/Officers for availability at time of monitoring. The two required evaluation instruments are as follows:

1. The Disability Access Checklist, attached. Links can be found on the SC Works Document Directory page at <https://www.scworks.org/docs.asp>.
2. The ADA Checklist for Existing Facilities, which can be found at the ADA website at <http://www.adachecklist.org/>. This assessment can be completed by in-house staff or can be competitively outsourced.

LWDBs are responsible for ensuring compliance with the equal opportunity provisions in Section 188 of WIOA; 29 CFR part 38; section 504 of the Rehabilitation Act of 1973, as amended; and Title II of the ADA, as amended.

Inquiries: Questions may be directed to Nicole Lawing at 803.327.9041 or nlawing@catwabacog.org.

Disability Access Checklist: Determining Accessibility in Facilities and Provision of Services

The information and surveys contained in this document will enable Local Equal Opportunity Coordinators to perform required system evaluations and develop plans, which meet the accessibility needs of customers with disabilities who come to SC Works Centers for services, based on real data. This checklist addresses requirements of Section 504 of the Rehabilitation Act of 1973, as amended, as well as those under the Americans with Disabilities Act, as amended.

Accessibility is ever changing. Technology, standards, and needs are constantly evolving and should be viewed as an on-going process. System evaluation will capture both strengths and weaknesses and allow the development of a concrete plan to increase the level of accessibility in local programs. The plan should identify priorities for barrier removal and assist in planning for continual improvement.

These tools are designed to simplify complex issues while maintaining the integrity of the goal of accessibility and the requirements of the law. Questions regarding specific situations that arise within programs should be expected. Call the DEW Office of Equal Opportunity for additional information.

Take the following steps:

- Complete the applicable sections of the checklist for the Workforce Development Board's administrative entity and for each SC Works Center/facility open to WIOA applicants, participants, and the public at-large.
- Develop internal action steps to rectify issues identified as a result.
- Develop written policies covering employment and program practices.
- Maintain copies of each checklist and any supporting/resulting documents on file.
- Submit each checklist to the DEW Office of Equal Opportunity by March 31st every year.

Throughout this form there are response questions. Please note that several of the text boxes have a 180 character limit, but do not indicate as such. Please attach any supplementary information if additional space is needed.

<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	19. Have staff been trained in this procedure?
<p>Please describe the training, technology, and auxiliary aids and services available for people with disabilities in your LWDA's SC Works Centers. If your SC Works Centers needs assistance to make sure that services, technology, etc., can be used by people with disabilities, experts at the Job Accommodation Network (JAN) can give advice on hardware, software, and technology to enable people who are blind, deaf, or have physical disabilities to use the SC Works Center services. The JAN phone number is 800-JAN-7234 or 800-ADA-WORK.</p>		

NOTE: Elements in facilities that were built or altered before March 15, 2012, and that comply with the 1991 ADA Standards for Accessible Design are not required to be modified to meet the specifications in the 2010 Standards.

Please conduct facility accessibility reviews for your administrative entity and for each facility open to WIOA applicants, participants, and the public at-large using the ADA Checklist for Existing Facilities. This checklist, which is based on the 2010 ADA Standards for Accessible Design, can be found at www.ADAchecklist.org. Submit these facility accessibility reviews to the DEW Office of Equal Opportunity by March 31st, annually.
